MEMORANDUM FOR: Director of Training  
SUBJECT : Department of State Briefings

1. Reference is made to the attached memorandum of 20 June 1974 from the Deputy Director for Operations, who has some kind words to say about the special Department of State briefing of 14 June 1974, and suggests the possibility that these might be semiannual occurrences.

2. While I am pleased that the DDO was favorably impressed with this exercise, I would like to reaffirm a continuing interest in being kept apprised of all future developments in this area, particularly in terms of the briefing program. I do want to be sure that there is appropriate input from the standpoint of the Management and Services Directorate.
